

FOUNDER AGREEMENT

ONEWAY TECHNOLOGIES INC.

This Founder Agreement ("Agreement") is entered into as of _____, 20____, by and between:

Founder A: Antonio Hoshaw, acting through King Holdings LLC

Founder B: _____

Collectively referred to as the "Founders."

1. Formation

The Founders agree to jointly establish and operate OneWay Technologies Inc. (the "Company"), a corporation organized for the development and operation of secure communication and related technologies.

2. Founder Ownership

Ownership of the Company shall be equally divided between King Holdings LLC (Antonio Hoshaw) and Founder B, each holding fifty percent (50%).

3. Independent Allocation Rights

Each Founder retains sole authority to allocate, transfer, assign, or grant portions of their respective ownership interest. No Founder may allocate or transfer any portion of the other Founder's ownership interest.

4. Decision-Making Process

All major Company decisions shall first be addressed through good-faith discussion and voting between the Founders.

5. Deadlock Resolution Authority

In the event of a Deadlock, Antonio Hoshaw, through King Holdings LLC, shall retain final and binding decision-making authority.

6. Founder Removal Protection

Antonio Hoshaw, acting through King Holdings LLC, is designated as a Protected Founder and may not be removed or stripped of authority without written consent.

7. Founder Vesting

Founder equity shall vest over four (4) years with a one (1) year cliff. Twenty-five percent (25%) vests after twelve (12) months, with the remainder vesting monthly thereafter.

Unvested Share Repurchase

If a Founder ceases participation prior to full vesting, unvested shares shall automatically be subject to repurchase by the Company at original issuance price.

8. Good Leaver / Bad Leaver

Departing Founders retain vested shares only. Misconduct or breach may result in forfeiture of unvested equity.

9. Intellectual Property Ownership

All intellectual property related to the Company shall be exclusively owned by OneWay Technologies Inc. Each Founder irrevocably assigns all related inventions and developments to the Company.

10. Confidentiality

Founders shall maintain strict confidentiality regarding Company source code, business strategy, financial information, and trade secrets.

11. Founder Non-Compete

For twenty-four (24) months following departure, no Founder shall participate in any competing secure communication or messaging business.

12. Non-Solicitation

For twenty-four (24) months following departure, Founders shall not solicit employees, contractors, users, investors, or partners of the Company.

13. Remedies

Violation of this Agreement shall entitle the Company to injunctive relief, damages, and recovery of legal costs.

14. Preservation of Founder Status

Exercise of control provisions or equity allocations shall not alter equal Founder designation unless mutually agreed in writing.

15. Amendment Protection

Sections relating to Deadlock Authority and Protected Founder status may not be amended without written consent of Antonio Hoshaw acting through King Holdings LLC.

16. Governing Law

This Agreement shall be governed by the laws of the State of Delaware.

17. Entire Agreement

This Agreement supersedes all prior drafts or unsigned agreements relating to founder ownership or governance.

IN WITNESS WHEREOF, the Founders execute this Agreement as of the date first written above.
